SUPPLY & SERVICES LLC

CAPABILITY STATEMENT

COMPANY OVERVIEW

Lighthouse Supply & Services, LLC is an agile small business specializing in integrated procurement, logistics, and operational support solutions for government, institutional, and commercial sectors. We eliminate corporate bureaucracy to deliver immediate responsiveness, absolute compliance, and reliable contract fulfillment. As a hands-on partner, we provide direct principal oversight on every project, ensuring that your supply chain and operational needs are met with precision, integrity, and responsive and timely fulfillment.

 **Our Mission:** To provide seamless, responsive procurement and logistical support, driven by an unyielding commitment to contract compliance and operational excellence.

 **Our Vision:** To be a trusted small business partner for multi-sector procurement, recognized for our ability to solve complex supply challenges efficiently.

CORE CAPABILITIES

-  **Strategic Procurement & Sourcing:** Rapid vendor coordination and efficient acquisition of specialized goods.
-  **Logistics & Supply Chain Support:** Reliable local and long-distance freight coordination to ensure continuity.
-  **Medical & Institutional Supplies:** Trusted sourcing of essential healthcare equipment and materials.
-  **Facilities & Janitorial Support:** Comprehensive supply of maintenance, safety, and operational cleaning products.
-  **Water Filtration & Bulk Distribution:** Specialized commercial filtration systems and supply solutions.
-  **Office & Technology Solutions:** Administrative consumables, operational hardware, and tech supplies.
-  **Uniforms & Custom Branding:** Professional corporate apparel, protective gear, and graphic design support.

KEY DIFFERENTIATORS

-  **Agile & Execution-Focused:** Our lean business structure allows us to pivot quickly, respond to emergencies, and fulfill orders faster than large, bureaucratic competitors.
-  **Direct Principal Accountability:** Every contract is directly managed and supervised by ownership, ensuring compliance-focused execution.
-  **Government-Ready Framework:** Fully equipped with a verified Unique Entity Identifier (UEI) and structured around specific commercial procurement NAICS codes.
-  **Bilingual Operational Capabilities:** Fluent in English and Spanish, expanding our sourcing network and ensuring clear, error-free communication with all stakeholders.
